

Privacy Policy

Last updated: July 8, 2026

App: Piwi **Developer:** Solo founder (Tunisia) **Contact:** piwi.support@gmail.com

1. Introduction

Piwi (“we”, “our”, or “us”) is committed to protecting your privacy. This Privacy Policy explains how we collect, use, store, and protect your personal information when you use the Piwi mobile application (the “App”).

By using Piwi, you agree to the collection and use of information in accordance with this policy. If you do not agree with this policy, please do not use the App.

2. Information We Collect

2.1 Information You Provide Directly

When you create an account or use certain features, we collect:

Data	Required?	Purpose
Email address	Yes	Account authentication and communication
Password	Yes	Account security (stored hashed by Supabase)
First name	Yes	Display on your public profile and leaderboard
Last name	Yes	Display on your public profile
Governorate (region)	Yes	Race discovery and leaderboard filtering
Gender	Yes	Leaderboard categorization (male or female)
Date of birth	No	Age category calculation for leaderboards
Race finish times	No	Personal records and leaderboard rankings
Race photos (evidence)	No	Result verification (1-3 images per claim)
Bib number	No	Result verification (optional)

2.2 Information Collected Automatically

When you use the App, we automatically collect:

Data	Purpose
App version	Compatibility and debugging
Operating system (iOS/Android)	Compatibility and analytics
OS version	Compatibility and analytics
Screen views and interactions	Product improvement and analytics
Search queries	Product improvement (no personal identifiers attached)
Device identifier	Analytics and fraud prevention

2.3 Information from Third Parties

If you sign in with Google, we receive:

- Your name
- Your email address
- Your profile picture (optional)

We use this information only to pre-fill your profile and authenticate you. We do not access any other Google data.

2.4 What We Do NOT Collect

We explicitly do **not** collect:

- ❌ GPS location or precise geolocation
- ❌ Phone contacts or address book
- ❌ Phone number
- ❌ Camera access (we use the system photo picker only)
- ❌ Microphone access
- ❌ Push notification tokens
- ❌ Health data beyond race finish times
- ❌ Financial or payment information

3. How We Use Your Information

We use your information for the following purposes:

Purpose	Data Used
Account creation and authentication	Email, password, Google OAuth data
Race discovery and recommendations	Governorate, sport preferences
Leaderboard display	Name, finish times, gender, age category, governorate
Result verification	Evidence photos, bib numbers, finish times
Social features	Follow relationships, wishlisted races
App improvement	Anonymous analytics, screen views, search patterns
Customer support	Email, account information

Table 3 – continued

Purpose	Data Used
Security and fraud prevention	Device info, account activity

4. Legal Basis for Processing (GDPR)

If you are in the European Economic Area (EEA), we process your personal data based on:

- **Contractual necessity:** To provide the App’s core features (account, race discovery, leaderboards)
- **Legitimate interests:** Analytics, fraud prevention, and app improvement
- **Consent:** For optional features like result claims with photo evidence

5. Data Sharing and Third Parties

We do not sell your personal data. We share data only with the following service providers:

Service Provider	Data Shared	Purpose	Location
Supabase	All user data	Database, authentication, file storage	Cloud (check your Supabase project region)
PostHog	Anonymous analytics events, device info	Product analytics and improvement	European Union (eu.i.posthog.com)
Google	Name, email, picture (sign-in only)	OAuth authentication	United States
Expo	Build metadata	App distribution and updates	United States

All third parties are contractually bound to use your data only for the purposes described above and to protect it in accordance with applicable laws.

6. Data Security

We implement appropriate technical and organizational measures to protect your data:

- **Encryption in transit:** All data transmitted between the App and our servers uses HTTPS/TLS encryption.
- **Password hashing:** Passwords are hashed using industry-standard algorithms by Supabase Auth.
- **Row-level security:** Database access is restricted so users can only access their own data.
- **Image compression:** Evidence photos are resized to 1200px width and compressed to 80% quality before storage.
- **No plaintext storage:** Sensitive data is never stored in plain text.

7. Data Retention

We retain your data for as long as your account is active or as needed to provide you with the App's services.

Data Type	Retention Period
Account and profile data	Until account deletion
Race results and claims	Until account deletion (or as required by race organizers)
Evidence photos	Until the associated result claim is deleted
Analytics data	12 months (PostHog default retention)
Deleted accounts	30 days after soft deletion, then permanently erased

8. Your Rights

Depending on your location, you may have the following rights regarding your personal data:

Right	How to Exercise
Access	Contact piwi.support@gmail.com
Correction	Update your profile in the App's Settings
Deletion ("Right to be Forgotten")	Use the "Delete Account" button in Settings
Restriction of processing	Contact piwi.support@gmail.com
Data portability	Contact piwi.support@gmail.com
Object to processing	Contact piwi.support@gmail.com
Withdraw consent	Contact piwi.support@gmail.com

Account Deletion

You can delete your account at any time:

1. Go to **Settings** → **Delete Account**
2. Confirm the deletion
3. Your account will be soft-deleted immediately and permanently erased within 30 days

When you delete your account:

- Your profile and personal data are marked for deletion
- Your result claims and evidence photos are removed
- Your auth credentials are invalidated
- Your wishlist and follow relationships are deleted

Note: Anonymized race results that have been published to public leaderboards may be retained in aggregated form.

9. Children's Privacy

Piwi is not intended for children under the age of 13. We do not knowingly collect personal data from children under 13. If you believe we have collected data from a child under 13, please contact us at piwi.support@gmail.com and we will delete the information promptly.

10. International Data Transfers

Your data is primarily stored and processed in the region where your Supabase project is hosted. Analytics data is processed in the European Union (via PostHog's EU infrastructure).

If you are located outside these regions, your data may be transferred to and processed in these locations. We ensure appropriate safeguards are in place for such transfers.

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by:

- Updating the "Last updated" date at the top of this policy
- Displaying a notice in the App when significant changes are made

Your continued use of the App after any changes constitutes acceptance of the updated policy.

12. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or our data practices, please contact us:

Email: piwi.support@gmail.com

Response time: We aim to respond to all inquiries within 48 hours.

13. Google Play Data Safety Disclosure

For transparency with Google Play users, here is our Data Safety summary:

Data Collected

Data Type	Optional?	Purpose
Name	No	Account, leaderboard
Email	No	Authentication
Photos	Yes	Result verification
App interactions	No	Analytics
Device ID	No	Analytics, security
OS version	No	Analytics, compatibility
Search history	No	Product improvement

Data Shared

We do not share personal data with third parties except for the service providers listed in Section 5 above, who process data on our behalf.

Security Practices

-  Data is encrypted in transit
-  You can request that data be deleted
-  Account deletion is available in-app
-  No data is sold to third parties

This Privacy Policy is effective as of July 8, 2026.
